

Move with us to support young people in the Bailiwick

Move

8

K

A DAY

in May

The World Health Organisation recommends an active target of **10,000 steps per day**, which on average is equal to **8km walking**.

In 2020, **over 8,000 children and young people accessed services provided by the Youth Commission**, so our challenge for you or your team is to move 1-metre for every one of them on each day in the month of May.

Child entry: £5 | Adult entry: £10 | Groups of 6: £50 | Event t-shirt: £10

Further fundraising is welcomed and encouraged. All entrants receive a certificate and Youth Commission pin badge for your efforts. To sign up please email info@youthcommission.gg or see reverse to complete and return our event registration form. For t-shirts please contact or visit Printmytees.gg.
